Attention: His Worship Mayor Pitfield and Councillors of the Municipality of Killarney

Dear Sirs/Mesdames:

**Re: KRAA Annual General Meeting - Motion re Installation of
911 Numbers**

As you know, the Key River Area Association held its annual general meeting on July 28, and His Worship Mayor Pitfield, Councillor Clyde Opalychuk and Deputy Clerk and Treasurer Gilles Legault were kind enough to attend.

At a subsequent meeting of the board of directors of the KRAA, a motion was passed, and a copy of that motion is set out below. This is being provided to you for your information and for purposes of your next Council meeting and, as applicable, processing by staff.

The Directors discussed the issue of the 911 numbers which has been outstanding for some time, and which the Municipality had undertaken to provide. The following motion was passed unanimously by the Directors present:

“Motion: Be it resolved that the Municipality of Killarney be requested to address the installation of civic address numbers (the green 911 numbers for location by emergency responders) as a top priority in the Key River Area by not later than December 31, 2013 and report back to the KRAA on their progress.”

Based on this motion, the KRAA is asking that the installation of these numbers be completed before the end of the year and that the Municipality confirm after the next meeting of Council.

Also, at the meeting, His Worship Mayor Pitfield had undertaken to speak to Council about the request by KRAA residents to be provided with a voucher with their tax bill to permit them to dispose of a large amount of waste at the landfill, rather

than the current "clean up week" arrangement. We would ask that you please advise of the outcome of Council's consideration of that issue.

Yours truly,

KEY RIVER AREA ASSOCIATION
